

Stone-Look LED Paver Light

This stone-look paver light features an embedded 5-LED array. It is ideal for decorative or accent lighting in outdoor pathways.

Product Overview

Natural Aesthetics Meet Modern Illumination

This Stone-Look LED Paver Light seamlessly integrates high-efficiency lighting into a natural stone aesthetic. Featuring a durable, textured surface, the tile is designed for decorative and accent applications in landscaping or outdoor design. Its integrated 5-LED array provides clear, bright illumination, making it an ideal choice for pathway markers or sophisticated architectural accents.
