

# Tabletop Water Dispenser with Bottle Support

This tabletop water dispenser is suitable for home or office use. It includes a bottle support for standard water bottles, a dispensing tap, and a drip tray.

## Overview

### Compact Hydration Solution

This tabletop water dispenser is a versatile solution designed for both home and office environments. It features a robust bottle support compatible with standard water bottles, ensuring a steady supply of chilled or room-temperature water. The durable plastic housing and integrated drip tray make it easy to maintain and clean for daily use.
