

Tilt TV Wall Mounting Bracket for 13-27 inch Screens

This tilt TV wall mounting bracket is constructed from high gauge cold rolled steel. Its ball design enables angle-free tilting and 360° rotation for optimal viewing.

Product Overview

Versatile TV Mounting Solution

This high-gauge cold-rolled steel wall mounting bracket is engineered for 13 to 27-inch screens, offering a robust and space-saving solution for professional and home setups. Featuring a unique ball design, it allows for smooth, angle-free tilting and full 360° rotation for the perfect viewing angle. The unit comes complete with a universal hardware pack and is available in durable powder-coated silver or black finishes.
