

Top-Freezer Refrigerator

This is a two-door refrigerator with a top freezer compartment and a bottom refrigerator compartment. The appliance features a clean, minimalist design and is suitable for home use.

Product Overview

Compact Top-Freezer Design

This top-freezer refrigerator combines a classic layout with a clean, minimalist aesthetic suitable for professional or residential environments. Featuring a two-door configuration, it separates the freezer and refrigeration compartments for efficient temperature management. The white finish with silver-tone accents provides a modern, versatile look that integrates seamlessly into various interior settings.
