

TV Wall Mount for 17- to 37-Inch LED/LCD Screens

This TV wall mount is constructed from high gauge cold rolled steel with aluminum arms. It features a safety lock and bubble level for secure and accurate installation.

Product Overview

Professional Grade TV Wall Mount

This ultra-slim TV wall mount is engineered for 17- to 37-inch LED and LCD screens, offering a robust solution for professional installations. Constructed from high-gauge cold rolled steel and aluminum arms, it ensures long-term durability and safety with an integrated safety lock and bubble level. Its flexible design supports a wide range of mounting needs, including significant tilt and swivel capabilities for optimal viewing angles.
