

Twin Tub Washing Machine with Durable Plastic Body

This twin tub washing machine has separate tubs for washing and spinning. Its durable plastic body ensures longevity and resistance to rust.

Product Overview

Efficient Twin Tub Laundry Solution

This twin tub washing machine offers a highly efficient and convenient solution for daily laundry needs. Designed with a robust plastic body, it provides exceptional resistance to rust and long-term durability for professional use. Its compact footprint makes it an ideal choice for space-constrained environments without compromising on capacity or cleaning performance.

Technical Specifications

Model Number	WS76-318
Body Material	Durable Plastic
Key Features	Rust Resistant, Dual Tub Design, Compact Design

Operations

Safety Systems

- Automatic shut-off functionality
- Engineered for secure operation
