

Twin Tub Washing Machine with Spin Dryer

This twin tub washing machine has separate washing and spin-drying compartments. It features control knobs for adjusting wash time, spin time and water level and is constructed with a plastic body and a drainage hose.

Product Overview

Efficient Dual-Compartment Cleaning

This twin tub washing machine offers a practical, space-saving solution for efficient fabric care. Featuring separate compartments for washing and spin-drying, it allows for streamlined operations and versatile cycle management. Built with a robust plastic body, this unit is designed for longevity and ease of use in diverse environments.
