

Twin Tub Washing Machine with Spin Dryer

This twin tub washing machine features separate washing and spin-drying compartments. The appliance has a durable plastic body, user-friendly controls, and is ideal for quick laundry cycles.

Product Overview

Versatile Twin Tub Solution

This twin tub washing machine is designed for efficiency and convenience, featuring separate compartments for washing and spin-drying. Its compact build makes it an ideal laundry solution for small spaces without compromising on cleaning performance. With a robust 17kg capacity and user-friendly controls, it is perfectly suited for handling daily loads and delicate garment care.
