

Two-Slice Cool Touch Toaster

This two-slice toaster features a cool-touch exterior for user safety. It is equipped with variable electronic timing control, self-centering guides, a slide-out crumb tray, cord storage, and reheat/defrost/cancel buttons.

Product Overview

Reliable Two-Slice Cool Touch Toaster

This two-slice cool touch toaster is designed for safe and efficient daily use in professional or commercial settings. Featuring variable electronic timing control and self-centering guides, it ensures consistent browning for different types of bread. The integrated reheat, defrost, and cancel functions provide versatile operation, while the slide-out crumb tray and cord storage make maintenance and organization simple.
