

Two-Slot Bread Toaster

This compact kitchen appliance efficiently toasts bread and bagels. It features two slots, variable browning control, a removable crumb tray, and a cool-touch exterior.

Product Overview

Compact Two-Slot Toaster

The CT-809 two-slot toaster is a reliable kitchen appliance engineered for consistent toasting of bread, bagels, and various bread products. Featuring a cool-touch exterior and a compact footprint, it is designed to fit seamlessly into smaller workspaces while ensuring safety during use. Users can easily customize their toast with the variable browning control and quickly retrieve items using the integrated high-lift lever.
