Product Overview

Ultrasonic Aroma Diffuser

This compact ultrasonic aroma diffuser is designed to improve air quality and create a relaxing environment in homes or offices. Utilizing advanced ultrasonic technology, it atomizes water and essential oils into a fine, absorbable mist. The device features an independent light control and an automatic shut-off safety function for peace of mind when the water runs out.

Technical Specifications

Dimensions	66 x 66 x 116 mm
Water Tank Capacity	65 ml
Mist Output	15 mL/h
Rated Power Consumption	9 W
Input Voltage	AC 100-240V 50/60Hz
Output Voltage	DC 5V 500mA
Material	PP
