Product Overview

Commercial Upright Display Cooler

This upright beverage showcase is designed for professional retail environments, offering a perfect blend of visibility and cooling performance. Featuring a customizable top light box for branding, interior vertical LED lighting, and double-layer hollow glass doors, it ensures your products are displayed attractively while maintaining optimal freshness. Built for reliability, the unit includes adjustable shelving, self-evaporation technology, and heavy-duty casters for flexible placement in supermarkets, cafes, or convenience stores.
