

Urban Commuter Motorcycle

This motorcycle is designed for urban commuting and everyday use. It features a step-through frame, front basket, and rear rack for carrying items.

Overview

Urban Commuter Efficiency

The DW110 is a practical and efficient motorcycle designed specifically for urban commuting and everyday use. Featuring a user-friendly step-through frame, it ensures easy mounting and dismounting for riders. With its compact size and high maneuverability, this motorcycle is engineered to navigate congested city streets with ease while offering reliable, fuel-efficient performance.
