

Urban Electric Commuter Bike with Storage

This electric bike is designed for urban commuting. It features a step-through frame, front and rear lights, mirrors, a rear storage box, and chrome safety bars.

Overview

Urban Commuter Solution

This electric commuter bike is engineered specifically for efficient urban mobility. Featuring a user-friendly step-through frame design, it ensures easy mounting and dismounting for daily riders. The inclusion of integrated storage, safety lighting, and robust protective bars makes it a practical choice for professional delivery or personal commuting needs.
