

Versatile Power Cutter

This power cutter is designed for cutting various materials. It features a robust motor, adjustable cutting depth, and a durable construction for long-lasting performance.

Product Overview

Versatile Power Cutter

This powerful and versatile power tool is engineered for precision cutting across a variety of materials. Built with a robust motor and durable construction, it ensures long-lasting performance for demanding tasks. Featuring adjustable cutting depth, this tool is an ideal solution for both professional site work and intensive DIY projects.

Technical Specifications

No-Load Speed

5000 min-1

Rotational Speed

Blade Diameter	185 mm
Arbor Size	20 mm

Key Features

Performance Highlights

- Robust motor design
- Adjustable cutting depth
- Durable construction for longevity

Recommended Use	Professional, DIY
