

# VESA Mount Adapter Kit for 13-27 inch Non-VESA Monitors

This universal VESA mount kit is designed for monitors lacking a standard bolt hold pattern. The adjustable monitor arm adapters can be positioned to accommodate various monitor sizes and shapes.

## Product Overview

### Versatile Mounting Solution

The VESA Mount Adapter Kit enables the use of non-VESA compliant monitors with standard desk and wall mounts. Designed for screens between 13 and 27 inches, this kit provides a stable and adjustable mounting solution. Its heavy-duty powder-coated steel construction ensures long-term reliability for your professional workspace setup.
