

Vintage CRT Television with Waterfall Display

This is a vintage cathode ray tube (CRT) television set with a built-in screen. The screen displays a lush waterfall scene.

Product Overview

Vintage Aesthetic and Visual Display

This vintage-inspired CRT television set combines retro design elements with a captivating waterfall display. Featuring a distinctive teal casing and integrated speakers, it serves as a functional decorative piece for modern environments. The integrated screen provides a vibrant, high-contrast visual experience perfect for enthusiasts of mid-century aesthetics.
