

Vintage Style Gas Scooter

This vintage-style scooter features an orange and white color scheme. It has a single-cylinder, 4-stroke engine and a step-through frame design.

Overview

Classic Design Meets Reliable Performance

This vintage-style gas scooter combines nostalgic aesthetics with dependable mechanical engineering. Featuring a distinctive orange and white color scheme and a classic step-through frame, it offers both style and ease of use. Built with a robust 4-stroke, single-cylinder engine, this scooter is designed for efficient and reliable operation.
