

Vintage Television Set

This vintage television set features a silver frame and a black screen. It is designed with a wide base and a series of buttons or controls along the bottom.

Product Overview

Vintage Television Set

This vintage television set features a classic silver frame design that evokes a timeless aesthetic for collectors and interior enthusiasts. Equipped with a high-contrast black screen, it is designed for display or restoration projects. Its wide base provides excellent stability while the integrated controls offer a tactile, retro user experience.
