

Wall-Mounted Cooling Fan

This wall fan is designed for efficient and quiet cooling in homes and offices. Its large fan diameter ensures strong airflow, while its energy-saving operation minimizes power consumption.

Product Overview

Efficient Cooling Solution

This wall-mounted cooling fan provides a space-saving and efficient way to circulate air in both residential and office environments. Designed for balanced performance, it features three distinct speed settings and an oscillating swing function for optimal air distribution. With its low energy consumption and quiet operation, it serves as an ideal solution for professional workspaces requiring consistent comfort.

Performance Specifications

Rated Power

60 W

Power Input

Key Features

3-Speed Control, Oscillating Swing, 3-Blade Design, Wall-Mounted

Logistics and Dimensions

Physical Specifications

Metric	Value
Net Weight	2.7 kg
Gross Weight	3.1 kg
Packaging Size	450x205x450 mm
Container Capacity (40'HQ)	1650 pcs
