

Weatherproof Motorcycle Cover

This motorcycle cover offers all-weather protection. It is made from water-resistant, UV-resistant 170T polyester with a PU coating and includes an elasticity securing strap and storage bag.

Product Overview

All-Weather Protection

This durable motorcycle cover is designed to shield your vehicle from rain, snow, sun, and dust. Crafted from 170T polyester with a protective PU coating, it offers reliable water and UV resistance for outdoor storage. The design includes elastic securing straps for a snug, wind-resistant fit and comes with a convenient storage bag for easy transport.
