

# White Plastic Housing Box Fan

This box fan is designed to provide efficient air circulation. It features a durable plastic housing with a safety grill and three blades optimized for airflow.

## Overview

### Compact Cooling Solution

This 9-inch box fan is a practical and cost-effective solution for efficient air circulation in both home and office environments. Featuring a durable white plastic housing and a protective safety grill, it combines user safety with functional design. Its lightweight, portable build includes a built-in carry handle, making it easy to move and place wherever cooling is needed most.
