

Wooden Clothes Hanger with Rotating Hook

This wooden clothes hanger is designed for hanging garments such as shirts, dresses, and coats. Constructed from solid wood, it features a triangular shape with a smooth, varnished finish and a rotating metal hook.

Product Overview

Premium Wooden Garment Hanger

This standard wooden clothes hanger is engineered for optimal garment organization and preservation. Crafted from solid wood with a smooth, varnished finish, it provides a sophisticated look while ensuring gentle contact with clothing. Its versatile design features a rotating metal hook for effortless placement and a horizontal bar perfect for securing trousers or skirts.
