

Wooden Display Case with Crystal Perfume Bottles

This elegant wooden display case is designed to showcase perfume bottles. It features sliding panels, a rich wood grain finish, black trim, and a golden handle.

Product Overview

Elegant Presentation Solution

This premium wooden display case is designed to showcase luxury items with sophistication and style. Featuring a rich wood grain finish accented by sleek black trim and a golden handle, it provides a visually appealing environment for high-end goods. The interior includes dedicated spaces for crystal perfume bottles, each resting on protective white cushions behind sliding panels.
