

0.8L Electric Kettle with Automatic Shut-Off

This electric kettle has a 0.8 liter capacity and a 360-degree rotational base. It automatically shuts off when the water boils and includes boil-dry protection.

Product Overview

Compact and Efficient Boiling

This 0.8-liter electric kettle is designed for efficiency and convenience, making it an ideal choice for compact kitchen spaces. It features a 360-degree rotational base for easy handling and a concealed heating element for quick, reliable boiling. With integrated safety features like automatic shut-off and boil-dry protection, it ensures a worry-free user experience.

Technical Specifications
