

1- to 8-Ton Diesel Cargo Truck

This cargo truck is available in 1-ton to 8-ton configurations. It features a robust chassis, a spacious cargo bed, and a comfortable cabin.

Overview

Robust 8-Ton Cargo Solution

This versatile 8-ton cargo truck is engineered for reliability and performance in demanding transport environments. Powered by a 3856 CC turbo-charged diesel engine with high-pressure common rail technology, it delivers 136HP for efficient hauling. With a spacious cabin and a 6200mm cargo deck, it provides a balanced solution for logistics, construction, and heavy-duty transport needs.
