

10 Cubic Foot Steel Frame Wheelbarrow

This 130L garden plastic wheelbarrow is a general purpose tool. It has a pneumatic tire for easy moving when loaded.

Product Overview

Heavy-Duty Construction Performance

This 10 cubic foot wheelbarrow is engineered for demanding construction, landscaping, and gardening tasks. It features a robust 3.0mm thick high-density plastic tray paired with a powder-coated steel frame for maximum durability. Designed for stability, the unit includes a 4-ply pneumatic tire on a heavy-duty steel rim to ensure smooth material transport over uneven terrain.
