

# 10-in-1 USB-C Docking Station with Power Delivery

This 10-in-1 USB-C docking station expands the connectivity of laptops and other devices with USB-C ports. It features power delivery, three USB 3.0 ports, and SD/TF card readers for connecting multiple peripherals.

## ADDITIONAL IMAGES

## Overview

### Versatile 10-in-1 Connectivity

This high-performance USB-C docking station is designed to consolidate your workspace by providing ten essential ports through a single connection. Featuring robust Power Delivery support and high-speed data transfer capabilities, it is an ideal solution for professionals needing to connect multiple peripherals, storage media, and charging cables simultaneously. Its durable aluminium alloy construction ensures efficient heat dissipation and long-lasting durability for daily office or home use.

## Connectivity

### Interface Ports

- USB-C Power Delivery Input (5-20V/1.5-4A)
- RJ45 Gigabit Ethernet (10/100/1000M)
- 3x USB 3.0 Ports (Backward compatible with USB 2.0)
- SD Card Reader
- TF Card Reader
- 3.5mm Audio Jack

Integrated Cable Length

110 mm
