

10-Inch Bandsaw for Woodworking

This 10-inch bandsaw is equipped with a 220V motor and provides 500W of power with a blade speed of 900 m/min. It features a sturdy stand and adjustable blade guides for accurate cuts.

Overview

Precision Cutting Performance

This 10-inch bandsaw is engineered for high-precision woodworking tasks, offering a robust 375W motor suitable for a variety of cutting depths. With a throat capacity of 245mm and a versatile tilting table, it provides the flexibility needed for complex cuts and angles. Designed for stability and reliability, this machine is an essential tool for professional workshops requiring consistent performance.
