

10-Inch Industrial Exhaust Fan

This 10-inch industrial exhaust fan is designed for efficient ventilation. Featuring a robust metal housing and aerodynamically optimized blades, this fan delivers high-volume airflow with minimal noise.

Product Overview

Industrial Ventilation Solution

This 10-inch industrial exhaust fan is engineered for high-efficiency ventilation in demanding environments such as factories, workshops, and warehouses. Featuring a robust iron housing and aerodynamically optimized blades, it delivers consistent high-volume airflow while maintaining minimal noise levels. The enclosed motor design protects against dust and debris, ensuring reliable, long-lasting performance in challenging conditions.

Technical Specifications

Available Sizes

- 250mm
- 300mm
- 350mm
- 400mm
- 500mm
- 550mm

Available Colors

Zinc • Red

Model Number	APK-10(ZT)
--------------	------------

Material	Iron
----------	------

Logistics

Place of Origin	Guangdong, China
