

1.0 Liter Cordless Electric Kettle

This 1.0-liter electric kettle is cordless for ease of use. It automatically shuts off when the water boils and features boil-dry protection.

Product Overview

Efficient Boiling Solution

This 1.0-liter cordless electric kettle is designed for convenience and efficiency in any professional or kitchen environment. It features dual water level windows for easy monitoring and robust safety mechanisms, including automatic shut-off and boil-dry protection. With a powerful heating element, it ensures rapid boiling for tea, coffee, and other hot beverages.
