

100 kVA Soundproof Diesel Generator Set

This soundproof generator set delivers 100 kVA of power. It operates at 50Hz/60Hz, 230V/400V, with a 3-phase configuration and a 0.8 power factor.

Product Overview

Reliable Power Generation

This 100 kVA soundproof diesel generator set is engineered for consistent and dependable power supply in diverse environments. Designed with a robust, weather-resistant enclosure, it effectively minimizes operational noise while providing maximum protection for internal components. It is an ideal solution for facilities requiring a quiet, high-performance backup or primary power source.
