

10.4-Inch Open Frame LCD Monitor

This 10.4-inch open frame LCD monitor is designed for easy integration into various applications. Its compact size and rugged construction make it suitable for industrial, kiosk, and point-of-sale systems.

Overview

Industrial-Grade Open Frame Display

This 10.4-inch open frame LCD monitor is engineered for seamless integration into industrial, kiosk, and point-of-sale systems. Featuring a durable steel chassis and flexible mounting options, it is designed to withstand demanding environments while maintaining reliable performance. With high-resolution output and versatile input options, this display provides a professional-grade solution for embedded applications.

Display Performance

Resolution	800 x 600 pixels
Brightness	230 nits
Contrast Ratio	500:1
Backlight Lifetime	30000 hours

Connectivity & Power

Signal Inputs	VGA, DVI
Power Consumption	36 W
Power Input	DC12V/4A

Mechanical & Environment

Compliance	CE • FCC • RoHS
Dimensions	219.8mm x 180.0mm x 33.5mm
Mounting Options	VESA Wall Mount, Embedded Mount
Operating Temperature	-20 to 70°C
