Overview

Intelligent Network Surveillance

This 1080P IP network camera is designed for high-performance surveillance in demanding environments. Featuring an IP69K waterproof rating and robust anti-vibration capabilities, it ensures reliable operation in harsh conditions. Advanced features like automatic white balance, exposure control, and a 130-degree wide viewing angle provide clear, high-quality images while minimizing blind spots.

Imaging Performance

Resolution	1080P (1920 x 1080)
Viewing Angle	130 °
Night Vision Distance	10 m
Image Device	1/2.9" CMOS
Frame Rate	2-30 FPS

Durability & Environment

Waterproof Rating

IP69K

Anti-Vibration Rating	ISO 16750-3 (Max. 17.3G)
Operating Temperature	-20°C to +70°C

Technical Specifications

Power Supply	12 V DC
Audio Support	Yes
IR-Cut Filter	Yes
Dynamic Range	81 dB
Connectivity & Control	Mirror/Normal Switchable, Auto White Balance, Auto Exposure, Progressive Scanning
