

1080P Waterproof License Plate Backup Camera

This 1080P waterproof rear view camera mounts on a license plate for easy installation. It provides a clear, high-resolution view of the area behind the vehicle, enhancing safety and convenience.

Product Overview

High-Definition Vehicle Safety

This license plate backup camera provides a high-resolution 1080P view of the area behind your vehicle, significantly enhancing safety during reversing and parking maneuvers. Designed for durability, it features an IP69K waterproof rating and integrated night vision capabilities for reliable performance in adverse weather and low-light conditions. Its discreet, license-plate-mounted design ensures easy installation across a wide range of vehicles, including trucks.
