

10L Electric Instant Water Heater

This electric water heater provides on-demand hot water. It features a digital display for temperature control and is designed for wall mounting.

Product Overview

Compact On-Demand Heating

This 10L electric instant water heater is engineered for efficient and space-saving hot water delivery in residential settings. Featuring precise digital temperature control and real-time status monitoring, it ensures consistent comfort for daily use. The wall-mounted design allows for seamless integration into compact spaces while maintaining reliable performance.

Technical Specifications

Capacity

10 L

Tank Capacity

Temperature Control

45 °C

Key Features

User Interface

- Digital temperature readout
- Status monitoring indicators
- On-demand heating activation

Design Highlights

Compact, Wall-mounted, Digital Display
