

115mm/125mm Angle Grinder

This angle grinder is designed for cutting, grinding, and polishing various materials. It features a powerful motor, adjustable guard, and ergonomic design.

Overview

Professional Grade Angle Grinder

This versatile angle grinder is designed for high-performance cutting, grinding, and polishing across various materials. It features a powerful motor for efficient operation and an ergonomic design to ensure comfortable handling during extended use. With compatibility for both 115mm and 125mm wheels, it is an ideal tool for metalworking, construction, and demanding DIY projects.
