

# 12-Inch Children's Bicycle with Training Wheels

This 12-inch bicycle is designed for children who are learning to ride. It includes training wheels for added stability and a basket for carrying small items.

## Product Overview

### Designed for Young Riders

The SXJ1202 12-inch children's bicycle is expertly crafted to support children as they learn to ride. Featuring a durable frame and essential stability aids like training wheels, this bike ensures a safe and enjoyable experience for beginners. The design includes playful aesthetic elements like a strawberry-adorned front basket and a rear passenger seat, making it an attractive choice for young cyclists.
