

# 12-Inch Children's Bicycle with Training Wheels

This 12-inch bicycle is designed for children learning to ride. It features training wheels, easy-to-reach brakes and comfortable grips.

## Overview

### Designed for Young Riders

The SX1205 is a 12-inch children's bicycle engineered to provide a safe and enjoyable learning experience. It features a sturdy, durable frame built to withstand the rigors of early riding, alongside training wheels for added stability. With easy-to-reach brakes and comfortable grips, this bike prioritizes both safety and ease of use for young cyclists.
