

12-Inch Industrial Exhaust Fan

This 12-inch industrial exhaust fan provides efficient ventilation for various settings. Its robust design and aerodynamically designed blades ensure long-lasting performance for removing odors and moisture.

Overview

Industrial Ventilation Solution

This 12-inch industrial exhaust fan is engineered for efficient air circulation in demanding environments. Featuring a robust iron construction and an aerodynamically optimized blade design, it ensures consistent airflow for removing stale air, odors, and moisture. Its durable build is specifically designed for continuous operation in workshops, garages, and commercial kitchens.

Technical Specifications

Available Sizes

- 300mm
- 400mm
- 450mm
- 550mm

Model Number	APK-12(ZF)
Material	Iron
Color	Green

Logistics

Place of Origin	Guangdong, China
Place of Shipment	Guangdong, China
