

12-Ton Hydraulic Shop Press with Gauge

This 12-ton shop press is designed for pressing applications in automotive and industrial settings. The integrated pressure gauge allows for accurate monitoring of applied force, enhancing control.

Product Overview

Heavy-Duty Workshop Solution

This 12-ton hydraulic shop press is a robust tool engineered for demanding automotive and industrial applications. Built with a sturdy steel frame, it provides the stability and precision required for bending, straightening, and pressing bearings. The integrated pressure gauge ensures accurate force monitoring, allowing operators to work safely and effectively on various workshop tasks.

Technical Specifications

Capacity

12 T

Capacity

Working Range	130 mm
Max Operating Distance	650 mm
Net Weight	57 kg

Logistics & Packaging

Packaging Dimensions & Weight

Carton	Dimensions	Gross Weight
Carton 1	137 x 13 x 8.5 cm	17 kg
Carton 2	71 x 24 x 16 cm	28 kg

Shipping Information

- Qty/20FCL: 330 pcs
- MOQ: 50 pcs
- HS Code: 8462919000
