Product Overview

High-Performance LED DOB Street Lighting

This high-performance LED street light utilizes advanced Direct-on-Board (DOB) technology to provide efficient and reliable illumination for roadways, parking lots, and large outdoor areas. Designed with a durable, USA-engineered die-cast aluminum housing, it offers superior heat dissipation and weather resistance for long-lasting performance. With flexible power options and multiple light distribution patterns, this fixture is an ideal solution for both new installations and energy-efficient retrofit projects.

Performance Metrics

Available Wattage

- 120
- 150
- 200

Key Performance Metrics

120 lms/w
Lumen Efficacy

100000 Hours
Lifespan

Electrical & Optical

Electrical and Optical Specifications

Specification	Details
Input Voltage	120-277V AC
Dimming	0-10V
Light Distribution	T2, T3, T4, T5
Color Temperature	3000K, 4000K, 5000K, 5700K, 6000K

Physical & Construction

Housing and Mounting	Die-casting aluminum housing with available colors: Gray, Brown, Black. Mounting compatible with Junction Box and Adjustable Bracket.
Available Add-ons	Photocell, Motion Sensor

Compliance & Warranty

Certifications	cULus • DLC • ENEC • CE • RoHs • IP65
Warranty	10 Years
