

125cc Classic Motorcycle with Luggage Rack

This is a classic-style motorcycle featuring a 125cc engine and chrome accents. It is equipped with a rear luggage rack, front and rear lighting, and traditional spoked wheels for urban commuting and leisure riding.

Overview

Classic Urban Commuter

This 125cc classic-style motorcycle is engineered for both urban commuting and leisure riding. It combines a reliable engine with timeless design elements, including chrome accents and traditional spoked wheels. The inclusion of a rear luggage rack adds practical utility for daily tasks, while the comfortable seating arrangement ensures a pleasant riding experience.
