Overview

Reliable Power for Demanding Applications

The 12V 180Ah Front Access GEL battery is engineered for high-performance, long-lasting power in critical backup and energy storage systems. Featuring a maintenance-free, sealed design, it offers exceptional reliability for UPS, telecom, and renewable energy setups. With a design life of up to 12 years and robust construction, this battery ensures consistent performance and safety in professional environments.

Technical Specifications

Rated Capacity

180 Ah

C10 Rate

200 Ah

C20 Rate

Rated Voltage	12 V
Design Life	12 years
Cycle Life	1200 times at 30% DOD

Physical Characteristics

Dimensions (L x W x H)	561 x 125 x 325 mm
Gross Weight	52 kg
Container Material	ABS

Compliance & Features

Maintenance

Maintenance Free • Sealed Type

Typical Applications

- UPS Equipment
- EPS Power
- Energy Storage Systems
- Solar Systems
- Wind Power Systems
- Inverter Systems
- Telecom Systems

Certifications

ISO9001, ISO14001, OHSAS18001, CE, UL
