Product Overview

Reliable Power Backup Solution

This 12V 7Ah sealed lead-acid battery is designed for consistent and dependable power supply across a wide range of applications. Featuring a maintenance-free, valve-regulated design, it ensures stable voltage output and spill-proof operation. It is an ideal choice for UPS systems, emergency lighting, and security equipment requiring high-quality power backup.

Technical Specifications

Nominal Voltage	12 V
Rated Capacity	7 Ah
Standby Use Voltage	13.5V - 13.8V
Cycle Use Voltage	14.4V - 15.0V
Maximum Initial Current	2.1 A

Physical Attributes

Weight Options

- 1.7kg
- 1.8kg
- 1.96kg
- 2.02kg

Dimensions (L x W x H)	151 x 65 x 94/100
Casing Material	Black ABS

Compliance and Safety

Warranty	1 Year
Safety Certifications/Notes	Valve Regulated, Maintenance-free, Spill-proof, Recyclable
