

# 12V Brushless Cordless Drill with Two-Speed Gearbox

This 12V brushless cordless drill provides efficient power for various drilling and fastening tasks. The two-speed gearbox allows users to switch between high-speed drilling and high-torque driving.

## ADDITIONAL IMAGES

## Product Overview

### Professional Brushless Performance

This 12V cordless drill features an advanced brushless motor system, offering three times the operational life and reduced maintenance requirements compared to traditional brushed models. Designed for professional efficiency, it includes a versatile two-speed gearbox, 20+1 torque settings, and an ergonomic soft-grip handle. The integrated LED work light and ECP battery protection ensure reliability and precision even in challenging, low-light work environments.

## Technical Specifications

### Supported Battery Capacities

- 1.3Ah
- 1.5Ah
- 2.0Ah

### Maximum Torque

**25 N/m**

Max Torque

Rated Voltage	10.8 V
No Load Speed	0-450 / 1450 r/min
Chuck Capacity	0.8mm - 10mm

## Features

### Motor Technology

Brushless Motor • Maintenance-Free

### Torque Settings

20

### Key Features

Soft Handle, LED Work Light, ECP Protection, Two-Speed Gearbox, F/R Switch
