Overview

Professional Cordless Performance

This 12V cordless drill driver is engineered for versatility and reliability in professional and DIY applications. Featuring a high-efficiency lithium-ion battery system, it offers extended runtime and a quick 1-hour charge time to keep you productive. With its compact, ergonomic design and convenient belt clip, this tool is optimized for high-altitude operations and working in confined, dimly lit spaces.

Technical Specifications

Voltage	12 V
Quick Charge Time	1 hour
Gearbox	Two-speed powder metallurgy

Features

Key Features

- Built-in LED work light
- Short circuit protection
- Battery capacity indicator
- Spindle lock for quick bit changes
- Integrated belt clip

Power Technology	Lithium-ion, Cordless
