Product Overview

Professional Cordless Performance

This 12V cordless drill/screwdriver kit is designed for efficiency and versatility in various drilling and fastening applications. Featuring a high-performance lithium-ion battery system, it offers extended runtime and rapid charging capabilities to keep you productive on the job. The compact, ergonomic design, combined with a two-speed gearbox and integrated LED lighting, ensures precision and ease of use even in challenging workspaces.

Power & Battery

Battery Chemistry	Lithium-ion
Rated Voltage	12 V
Battery Capacity	2 Ah
Charging Time	60 min

Performance Metrics

Key Performance Metrics

30 Nm Max Hard Torque	1250 min⁻¹ Max Speed (Gear II)	0.96 kg Weight
---------------------------------	---	--------------------------

Drilling Capacity

Material	Max Diameter
Steel	10 mm
Wood	28 mm

Technical Specifications

Chuck System	Keyless chuck
Chuck Tightening Range	0.8-10 mm
Max Screw Diameter	6 mm

Features

Key Features	Built-in LED light, Two-speed gearbox, Belt clip, Spindle lock, Short circuit protection
