

12V Lithium-Ion Cordless Pistol Screwdriver

This cordless screwdriver is powered by a 12V lithium-ion battery. It features a pistol grip, adjustable torque settings, and a 1/4" collet.

Product Overview

Professional Cordless Screwdriver

This 12V Lithium-Ion Cordless Pistol Screwdriver is designed for precision and versatility in various assembly and fastening tasks. Featuring a compact 600-series motor and an ergonomic soft-grip handle, it ensures comfort and maneuverability in tight spaces. With adjustable torque settings across 24 positions, users can prevent overdriving screws and protect delicate materials. It is a reliable tool suitable for both professional tradespeople and demanding DIY projects.
