Overview

High-Performance 13 HP Gasoline Engine

This robust 13 HP gasoline engine is engineered for reliable power generation and industrial performance. Featuring a 4-stroke, single-cylinder, air-cooled design with overhead valves (OHV), it delivers efficient and consistent power output for generators, pumps, and portable equipment. Built for durability and ease of use, the engine includes an integrated oil alert system for automatic protection and offers flexible starting options.

Technical Specifications

Rated Power

13 HP

Rated Power

Engine Design

- 4-stroke
- Overhead Valve (OHV)
- Single cylinder
- Air-cooled

Starting Options

Recoil Start, Electric Start

Safety & Compliance

Certifications

CE • EURO V • EPA • ISO 9001:2015

Safety Features

Oil alert system with automatic shutdown on low oil levels

Service & Warranty

Warranty Coverage	2 years or 600 continuous working hours
Quality Control	Yes
OEM Services	Yes
